

# Our Donkey Party.

**DIRECTIONS.**—Cut out each of the tails and stick a pin through the small end of each tail. Hang up the donkey on the wall. Place each contestant at the opposite side of the room and blindfold him. Place a tail in his right hand, turn him around three times, and let him stick the tail on the donkey or the first place he touches. The player who comes nearest pinning the tail in the right place wins. Prizes may be offered, especially a booby prize, for the worst player.
